## **BLU Educational Foundation**

The BLU Education Program provides educational support to underserved communities, focusing on African American and minority students. It aims to enhance academic achievement and promote equity through tutoring, mentoring, and college readiness workshops, fostering a supportive environment to empower students to reach their full potential.

## **Congregations Organized for Prophetic Engagement(COPE)**

A grassroots organization that empowers faith communities to advocate for social justice and systemic change. Focused on issues like racial equity and economic justice, COPE collaborates with diverse congregations, providing training and resources to promote community empowerment and inspire activism among faith leaders.

## **Black Equity Initiative**

The IE Black Equity Fund at Inland Empire Community Foundation was created in 2020 with the mission and goal of advancing racial equity and supporting long-term investments in Black-led organizations in Riverside and San Bernardino counties.
